

CERTIFICATE OF CONFORMITY

33/PB/137/2023

AIDIMME, Metal-Processing, Furniture, Wood and Packaging Technology Institute,
herewith certifies the external supervision regarding formaldehyde content of

KASTAMONU ROMANIA, S.A.

37 Ierbus Street, Reghin,
545300 Mures
Romania

for the product

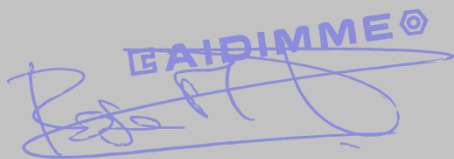

HPL Faced Particleboard PB, Kitchen Top type P2
in the thickness range 28 mm up to 38 mm

with a classification of E1

The external supervision includes a continuous surveillance of the company's internal production control and a bi-yearly testing of random samples according to the "Regulation on the classification and external supervision of wood-based panels regarding formaldehyde emission (DIBt-Richtlinie 100)" and the requirements for emission class E1 for compact laminate and HPL composite panels stated in the standard EN 438-7.

This certification has a maximum validity up to 8th September 2024.

Date of issue: 8th September 2023
